

2 Deep Carrs Farm Deep Carrs Lane, Worksop, S81 Asking Price £1,100,000

A stunning, grade two listed, family home dating back to 1630 that occupies a generous, landscaped plot of just under half an acre. The property has been lovingly restored by the current owners and now offers 3014 square feet of accommodation laid out over three floors and features modern fixtures and fittings in all the right places. The versatile accommodation includes three reception rooms to complement the large dining kitchen on the ground floor and five spacious double bedrooms serviced by three luxurious bathrooms over the first and second floors. The stunning gardens even include a fun outside bathroom with a wood fired hot tub and a restored Victorian bath overlooking the garden. There are also three drives and a large double garage that could perhaps be converted into an annexe/ancillary accommodation if required (subject to regs).

- Reception hall with access to the wine cellar.
- Open plan farmhouse kitchen with granite worktop surmounting the island unit, a wood burning stove and exposed beams.
- Sitting room featuring a two way, wood burning stove that also heats the adjacent, versatile second reception room.
- Versatile home office/snug.
- Five bedrooms including a luxurious principal suite with huge ensuite and walk in wardrobe.
- Two further bathrooms including a further ensuite bathroom to the guest bedroom.
