5 Bedroom 2 Reception 4 Bathroom C

Hewitt Adams are delighted to bring to the market this exceptional dormer-style bungalow, occupying a generous south-facing plot in one of Lower Heswall's most sought-after and rarely available cul-de-sac locations. Sold with No Chain.

Commanding truly breathtaking panoramic views across the Dee Estuary and towards the Welsh hills beyond, this remarkable home offers something exceptionally rare – stunning estuary views not only from the first floor, but also from the ground floor living accommodation and beautifully landscaped rear gardens.

The spacious and versatile accommodation briefly comprises an inviting entrance hall, a well-appointed kitchen diner with adjoining utility room, ground floor WC, family bathroom, and a versatile ground floor bedroom currently utilised as a home office. The principal reception spaces are particularly impressive, including a generous dining room and a superb main lounge, both positioned to maximise the stunning estuary outlook.

To the first floor are five well-proportioned bedrooms, including two with en-suite facilities, together with a further family bathroom. From this elevated position, the already impressive views become truly spectacular, stretching across the estuary towards the Welsh coastline.

Externally, the property continues to impress. The beautifully landscaped rear garden enjoys a highly desirable southerly aspect and provides an exceptional outdoor space from which to appreciate the property's unique setting. To the front, there is generous driveway parking.
