Undoubtedly one of the standout features of the home is the impressive living room. The rear wall is predominantly glazed, with large picture windows and a sliding patio door that frame uninterrupted views of the beautifully landscaped garden and the rolling fells beyond. This abundance of glass floods the room with natural light and creates a seamless connection between the indoor and outdoor spaces. A traditional fireplace with an attractive tiled surround and an elegant arched wooden mantel provides a charming focal point, offering warmth during the colder months.

The ground floor also benefits from a conveniently positioned cloakroom with stylish tiled flooring, full-height gloss wall tiling, and useful under-stairs storage attached.

The bespoke Atlantis kitchen has been carefully designed to combine style with practicality. Quality fitted cabinetry extends to the ceiling, providing exceptional storage, while Bosch integrated appliances include a fitted oven and warming drawer. Complemented by generous worktop space, a stainless-steel sink, an integrated fridge freezer, and a useful serving hatch connecting to the utility room, the kitchen is perfectly suited to modern family life. An adjoining breakfast area provides a relaxed space for informal dining, comfortably accommodating a four-seat table.

Beyond the kitchen, the utility room offers further storage together with dedicated space for laundry appliances, helping to keep the main living areas organised and uncluttered.

A beautifully crafted solid wood staircase leads to a bright, sun-filled first-floor landing. The family bathroom is fitted with both a Mira shower and a separate bath, together with vinyl floorcovering, an airing cupboard, a boiler cupboard, and rear-facing windows that allow natural light to brighten the room.
