Property Description

This attractive Victorian end-of-terrace house offers genuine charm and flexibility, making it an ideal prospect for developers, investors or owner-occupiers looking to undertake a full refurbishment.

The property retains a wealth of original period features, including panelled internal doors, picture rails, coving, decorative ceiling roses and feature fireplaces, providing an excellent foundation for sympathetic restoration and re-imagining.

The ground floor accommodation currently comprises a front lounge, a separate formal dining room, a WC, and a kitchen/breakfast room to the rear. The kitchen area also offers scope for the creation of an open plan space subject to the necessary works.

To the first floor, the accommodation is highly adaptable, offering 4 bedrooms alongside a bathroom and a separate WC, allowing the layout to be reconfigured to suit modern living requirements.

To the rear of the property is a courtyard garden, offering a low-maintenance outdoor space with potential to landscape and enhance.

Overall, this is a rare opportunity to acquire a characterful Victorian home with significant scope for improvement, set within a well-established and convenient Worthing location.
