Thoughtfully finished interiors

52a HIGH STREET, ESHER | STUDIO APARTMENT

Sleeping / living area

Shower enclosure

Vanity & basin

The studio

The sleeping / living area is presented in soft neutral tones, complemented by grey flooring and contemporary vertical radiators. The fitted kitchen features streamlined cabinetry, an oven, hob, extractor and washing machine, with a dining area shown alongside.

Kitchen & shower room

The shower room features marble-effect tiling, a glazed shower enclosure and a modern white suite. Together, the spaces create a clean, coordinated setting for High Street living.

Furniture is staged for visual effect.
