This stunning detached bungalow has been extensively refurbished from top to bottom over the last two years and now presents an exceptional home, beautifully designed and tastefully decorated both inside and out. Every aspect of the property has been thoughtfully considered, with a high standard of finish throughout and an evident attention to detail.

Improvements include a full rewire, a newly installed combi gas central heating system with a Hive smart setup, a brand new kitchen, a luxurious re-fitted shower room, and so much more.

The accommodation provides a hallway featuring herringbone style LVT flooring, which flows through the majority of the bungalow. A beautifully presented cloakroom/WC is finished with tasteful décor and stylish gold effect tapware, adding a touch of luxury. The lounge is a comfortable and sophisticated space, centred around an attractive feature wall with a wide flame effect electric fire, creating a wonderful focal point.

A particular highlight of the home is the impressively re-fitted kitchen/dining room. This beautifully designed space features contrast coloured Shaker style units complemented with an excellent range of integrated appliances, including a fridge/freezer, oven, microwave, washer/dryer, dishwasher, induction hob and extractor hood. The layout has been carefully planned to provide both practicality and an attractive setting for dining and entertaining.

An inner hallway leads to two generous double bedrooms. The main bedroom benefits from an impressive full length wall-to-wall range of built-in wardrobes, providing excellent storage, while the second bedroom also enjoys built-in wardrobes along with matching bedside drawers. The shower room has been luxuriously re-fitted and features a large walk-in shower enclosure with a rainfall shower, beautifully tiled walls, illuminated niche storage areas and quality fittings.
