With Clifton Ings, riverside walks and some of York's finest green spaces all within easy walking distance, this detached family home enjoys an outstanding setting for family life. Beautifully extended by the current owners, it combines generous accommodation with an impressive open-plan living space that has become the heart of the home.

The current owners have significantly enhanced the property through the creation of an impressive rear extension, transforming the home into a superb family residence centred around a stunning open-plan kitchen, dining and living space. Flooded with natural light from vaulted ceilings, rooflights and large bi-folding doors opening onto the rear garden, this is undoubtedly the standout feature of the home and an ideal space for both everyday family life and entertaining.

Complementing the open-plan living area is a generous sitting room positioned to the front of the property, providing a more formal reception room and a comfortable place to relax. The ground floor also benefits from a separate study, ideal for those working from home, together with a utility room, cloakroom/WC and a fifth bedroom complete with its own en suite shower room, creating an excellent guest suite or flexible accommodation for multi-generational living.

To the first floor are four further bedrooms, including a spacious principal bedroom with en suite shower room. A well-appointed family bathroom serves the remaining bedrooms, creating a layout that is perfectly suited to modern family life.
