

39 Main Street, North Kyme, Lincoln, LN4 4DF

Asking Price £275,000

Nestled on Main Street in the charming village of North Kyme, Lincoln, this delightful property offers a perfect blend of comfort and modern living. Built in 1977 the home features three well-proportioned bedrooms, making it an ideal choice for families or those seeking extra space. The property boasts a spacious reception room, conservatory with full roof and two outdoor insulated wooden sheds, providing a welcoming area for relaxation and entertaining guests.

For those who value energy efficiency, this home is equipped with solar panels and a 50ah battery system, significantly reducing energy costs and environmental impact. The property is also pet-friendly, featuring high-quality washable vinyl click flooring, making it easy to maintain and perfect for households with furry companions. One of the standout features of this residence is the large bathroom, which includes a separate shower, ensuring convenience for all family members.

Parking is a breeze with a gated driveway that accommodates up to three vehicles, along with a garage for additional storage or vehicle protection. This property truly offers a wonderful opportunity to enjoy village life while benefiting from modern amenities and energy efficiency. Don't miss the chance to make this lovely house your new home.

The property has oil fired central heating with radiators to all rooms, a log burner with wood stores outside and UPVC double glazing with leaded glass producing an EPC of: TBA.

39 Main Street, North Kyme, Lincoln, LN4 4DF

Location Location Location

North Kyme is a small fenland village that lies seven miles north of Sleaford on the A153. Located just at the edge of the Lincolnshire fens it has a population 458 which includes the out-lying farms and houses within the parish boundary.

The village boasts one of the most active village halls in the county. The hall along with the Plough Inn pub and St Lukes church form the hub of our community.

Events are always plentiful in the village, driven by an excellent village hall committee and a forward thinking parish council. Being close to Woodhall Spa and South Kyme golf clubs as well as being in easy reach of the Battle of Britain Memorial Flight at RAF Coningsby,

Lounge/Dining Room

Storage cupboard, vinyl click quality flooring, pendant lighting, loft access with ladders, window half way down the stairs.

Front Garden

The front garden is laid to lawn having perimeter borders with a mix of mature trees, bushes and shrubbery, the left is gated and leads to a bin store area and log store.

Driveway and Garage

The driveway is entered through lovely wrought iron gates with wrought railings along the left side also, being large enough for three cars, laid to tarmac with the single garage at the end having an up and over door and electricity for lighting and sockets.

Rear Garden

Being accessed from a gate next to the garage or another gate on the left side of the property making it fully enclosed, being laid to lawn and paving making it ideal for alfresco dining. It further benefits from having a workshop shed with electricity down the left side and two woodstores, it has a green-house, a man cave and she-shed. There are trees and shrubbery and also a fish pond in the corner.

Man Cave

A large insulated summer-house with two windows to the front, electricity and flooring currently used as a bar (will not be left) but again this could be used for a variety of purposes.

She Shed

An insulated shed with electricity, floor boards and wall panelling, which is currently used as a chill out area with comfy seating and a drinks fridge (not included), this could be used for several different purposes.

Solar Panels and Battery

On the roof are 13 solar panels which are fully owned and coupled with a 50ah rated capacity battery for later consumption of stored electricity.
