Full description

Presented in good decorative order, this well apportioned ground floor apartment nestles on the edge of the Ipswich Quay with marine views and an array of vibrant leisure facilities. Ideal for a professional working locally or using the train to commute, the accommodation offers private hallway, living room, kitchen with integrated cooking facilities, double bedroom with wardrobe and modern bathroom with shower.

The complex has security entry system and basement style gated car parking facilities with electronic entry control.

Prior to granting a tenancy agreement applicants will be required to pass the reference processing.
