This beautifully presented three bedroom detached home occupies a generous corner plot within close reach of Horndean village and was built in 2014 by Charles Church Homes. Since then, the property has been thoughtfully extended, creating a versatile layout and an impressive amount of living space, ideal for modern family life.

To the front, a double width driveway provides ample parking and leads to a detached garage, which benefits from an additional workshop space to the rear. The property itself is approached via a welcoming entrance hall with stairs rising to the first floor and access to all principal rooms. A study is positioned at the front of the home, offering the perfect solution for those working from home, but equally suitable as a fourth bedroom or playroom if required. The kitchen/breakfast room is fitted with a range of modern units and flows seamlessly into the striking family and dining area, where a lantern-style roof light and wide bi-folding doors flood the space with natural light while opening directly onto the garden. An archway leads through to the lounge, a comfortable reception room enjoying a front aspect window. A downstairs cloakroom completes the ground floor accommodation.

On the first floor there are three well-proportioned bedrooms. The main bedroom is a lovely retreat with its own en-suite shower room, while the second bedroom offers another excellent double and the third is a generous single. A contemporary family bathroom, fitted with a white suite, serves the remaining rooms.

Outside, the rear garden has been designed with ease of maintenance in mind, laid mainly to paving and ideal for entertaining and outdoor dining.

This home combines modern finishes with a flexible layout and generous living space, making it an excellent choice for families and professionals alike.
