An immaculate & improved share-of-freehold apartment with a private south-west facing balcony, forming part of this select scheme of luxury homes & enjoying a quiet, near central city location

This smart first-floor apartment was built by Laragh Homes in 2022 and is peacefully nestled between Westfield Lane and Canterbury Street. No.58 forms part of this select development of just nine apartments.

Every detail has been carefully considered. Attractive flooring with zonal underfloor heating and a spacious, modern kitchen with a peninsula breakfast bar sit alongside a light-filled living room with custom-built storage, while a large sliding door opens onto a private south-west facing balcony.

There are 2 double bedrooms, the principal bedroom is particularly spacious and benefits from fitted wardrobes and a beautiful en suite shower room. The bathroom has also been fitted with a stylish suite, complimented by inset spotlights and a heated towel rail.

No.58 is located on the first-floor, accessed by a lift or stairs. There are communal gardens and a secure bike store for residents. The ground floor has a welcoming entrance with postal boxes and key fob access to the building.

The service charge is £2,623.88 per annum with a peppercorn ground rent. SAB are the managing agent.

NINE is a development of luxury apartments sitting just off Huntingdon Road at the end of a modern cul-de-sac. The area is an excellent location for those looking to make the most of the city centre lifestyle, but with a little more elbow-room than the more densely populated central Victorian streets.

There are wide ranging facilities close to hand in nearby Histon Road and Castle Hill. The A14 and M11 are both within easy reach. The historic centre, University facilities and excellent schooling for all ages are all close by.

The property is less than a mile from the river, along historic Castle Street and Bridge Street and just over a mile from The Backs.
