Greenhill Estates are delighted to be marketing this deceptively spacious three bedroom terraced house, perfectly positioned within a residential square surrounding a pleasant central green. Offering approximately 946 square feet of living space, this home represents a fantastic opportunity for first time buyers looking to step onto the property ladder, or investors seeking a solid addition to their portfolio. While the property requires some cosmetic updating throughout, it acts as a superb blank canvas, allowing the new owners to add immediate value and stamp their own personal style on the home. With a highly functional layout and well proportioned rooms, it promises to be a wonderful family home once modernised.
