Having been significantly extended to both the front and rear, this spacious property is ideal for growing families or buyers seeking flexible living arrangements.

The double-storey front extension has created an additional generous double bedroom to the first floor, together with a versatile ground floor room which could be utilised as a fourth bedroom, second reception room, home office, playroom or study, depending on individual requirements.

Internally, the welcoming entrance hallway leads to a spacious ground floor double bedroom/versatile reception room, a bright front-facing lounge and a separate dining room, complete with French doors opening onto the rear garden. The fitted kitchen offers a range of wall and base units, complementary work surfaces and integrated appliances.

To the first floor are three generous double bedrooms, including a particularly spacious and bright principal bedroom positioned to the front of the property. The floor is completed by a beautifully appointed four-piece family bathroom, featuring a WC, wash basin, panelled bath and separate shower cubicle.

Externally, the property benefits from a low-maintenance paved rear garden, providing an excellent space for outdoor seating and entertaining. To the front is a paved garden area providing off-road parking for two vehicles.

Ideally positioned close to a range of local amenities, schools and excellent transport links, the property provides convenient access to Liverpool, Manchester and beyond.

Combining substantial extensions, generous proportions and exceptional versatility, this is a fantastic opportunity for buyers seeking a spacious family home.
