The bright and welcoming entrance porch leads into a central entrance hallway with stairs to the first floor, ground floor cloakroom/WC and useful under-stair storage. To the right is a generous living room overlooking the front through a walk-in bay window, with a feature fireplace and media wall creating attractive focal points. To the rear, spanning the width of the property, is an impressive open-plan kitchen/diner benefiting from dual aspects and Velux windows, allowing plenty of natural light to flood the space. The kitchen is fitted with underfloor heating, a modern range of wall and base units, integrated appliances and a generous central island, while bi-fold doors open directly onto the rear garden. A further door leads to a useful utility area with plumbing for appliances.

To the first floor are three well-proportioned bedrooms, including two good-sized doubles benefiting from built-in wardrobes and feature fireplaces. The smaller bedroom to the front offers excellent flexibility and could readily be utilised as a nursery, home office or study. A well-appointed family bathroom serves the first floor.

Externally, the property benefits from a driveway providing off-street parking for approximately two vehicles. The garage with double doors to access is a storage space following partial conversion into the utility room. To the rear is a generous enclosed garden with a well-maintained lawn, established shrubbery, side access and paved patio areas, enclosed by timber fencing/hedging and providing an excellent private space for everyday family life, outdoor dining and entertaining. The outdoor space is a rare commodity within the town, and can only increase the home's desirability.
