26 Oaklands Lane

St Albans, AL4 0HR

A superb three/four-bedroom semi-detached family home, nestled in a quiet lane in the sought-after Smallford area, just east of St Albans. This skilfully extended property offers versatile living space, currently used as a home treatment room/small business but easily adaptable as a granny annexe or au pair accommodation.

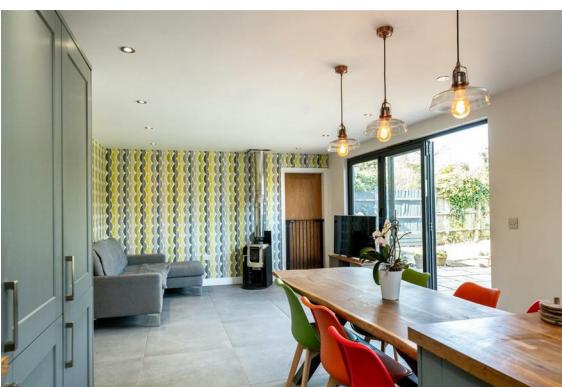

A part-glazed front door opens into a welcoming entrance hall, with stairs to the first floor and access to a cloakroom/W.C. The generously proportioned lounge features a charming fireplace and a front-facing window. At the heart of the home, the open-plan kitchen/dining/family room boasts bi-fold doors and a rear window overlooking the garden. The high-quality kitchen includes a range of fitted units and a sociable island unit, perfect for family life. A door leads to a cosy snug, which also opens onto the garden through double doors.

A utility room provides additional storage and connects to a versatile treatment room, which includes a private office and a downstairs W.C. There is also an additional ground-floor bedroom, which could serve as another reception room if desired.

Upstairs, a bright landing leads to the spacious principal bedroom, which benefits from a luxurious en-suite featuring a wet-room-style shower, bath, basin, and W.C. There are two further well-proportioned bedrooms and a stylish family bathroom suite.

Externally, the property offers a generous block-paved driveway with ample off-street parking. The impressive 150ft rear garden features a patio area, a well-maintained lawn, two sheds, and a summer house with light, power, and a covered seating area—ideal for outdoor relaxation.

Oaklands Lane provides a semi-rural setting, with open green spaces and Smallford Farm Shop nearby, while still offering easy access to St Albans city centre and excellent transport links, including the M25 & M1 motorway network.
