Offering more than 1,560 square feet of generous living space, we are delighted to bring to the market this substantial four bedroom semi-detached house located in the heart of Isleworth. We love the high ceilings throughout this character home, with the ground floor comprising of two large reception rooms, dining room, separate kitchen-diner and downstairs guest WC. Doors lead from the dining room onto the secluded garden which is home to a large outbuilding/office/study measuring a further 213 sq ft. On the first floor there are three well proportioned bedrooms, in addition to a fourth bedroom and family bathroom. Further benefits include a driveway for two cars and side access. There is further scope to extend (STPP).

Perfectly positioned in the heart of Isleworth, London Road benefits from excellent transport links, with Isleworth Station just a short walk away, offering direct services to London Waterloo.
