The Agent that goes the Extra Mile

19 Murray Road is a well-presented semi-detached home, conveniently located within easy walking distance of Milford Marina and the town centre. Enjoying an enviable position close to the estuary, the property combines coastal living with modern open-plan accommodation. The home benefits from off-road parking, a low-maintenance garden, and flexible living space that can be adapted to suit a variety of needs.

This is a property that is likely to generate strong interest, and an early viewing is strongly recommended to fully appreciate everything it has to offer.

The accommodation briefly comprises a lounge opening into a spacious, open-plan second reception and dining area, which in turn flows into the kitchen. Leading off this space is a versatile office, ideal for home working or equally suitable as a small gym. The ground floor also benefits from a convenient WC. To the first floor, there are three bedrooms and a modern family shower room.

Externally, the property offers off-road parking to the front, while to the rear there is a west-facing terraced garden featuring a lawn and multiple patio areas—perfect for enjoying the sunshine and entertaining. The garden also includes a useful brick outbuilding with a range of potential uses.

Milford Haven has the largest port in Wales and the third-largest port in the United Kingdom. It also has a popular Marina with accompanying Restaurant, Wine Bar, and boutique shops. The town itself has a historic late 18th and 19th centuries core based on a grid pattern, located between Hubberston Pill and Castle Pill and extending inland for 500 metres. Milford Haven's 20th-century expansion took in several other settlements. Hakin and Hubberston are older and situated to the west of the main town.
