SITUATION

The Development Site (the "Site") is located on Alexandra Close, which lies within the thriving Mid Devon town of Crediton a vibrant and bustling community, surrounded by beautiful rolling countryside. The town offers plenty of local amenities, including a traditional High Street with artisan shops, public houses, restaurants, a GP surgery, secondary schooling and a railway station on the Tarka Line (Barnstaple to Exeter). For an even greater number of facilities, the Cathedral City of Exeter is just 7 miles away, offering a variety of leisure facilities and amenities, including an arts centre, the RAMM museum and various restaurants, bars and eateries as well as several shopping outlets including a John Lewis and Waitrose supermarket. Golf is available at Downes Crediton Golf Club and the property is within easy reach of the Dartmoor and Exmoor national parks and the stunning north and south coastlines. The area offers access to a good selection of Primary and Secondary schools including Landscore Primary School, Hayward's Primary School, and Queen Elizabeth's. Renowned independent schools include St. Wilfrid's, Exeter School, Exeter Cathedral School, The Maynard and Blundell's.

DESCRIPTION

The Site benefits from Outline Planning Permission (Ref: 23/01095/MOUT) to construct twelve open market, detached dwellings, consisting of 2 x two bedroom dwellings, 9 x three bedroom dwellings and 1 x four bedroom dwelling. The four bedroom dwelling and one of the three bedroom dwellings benefit from a double garage, and the remaining three bedroom dwellings all benefit from a single garage. The two bedroom dwellings each have two off-street parking spaces.

The Site is currently used for agricultural purposes, and is accessed via a field gate from Alexandra Close. The Site enjoys particularly attractive countryside views to the South West, owing to its elevated position within the town of Crediton.
