Wisborough Green, Billingshurst

The Proposed Accommodation

The proposed principal dwelling extends to approximately **134 sq m (1,442 sq ft)** and has been thoughtfully arranged to create a comfortable and contemporary three-bedroom home.

At the heart of the property is a generous open-plan kitchen, dining and living space, designed to take advantage of the property's rural surroundings and provide a sociable central area for everyday family life and entertaining.

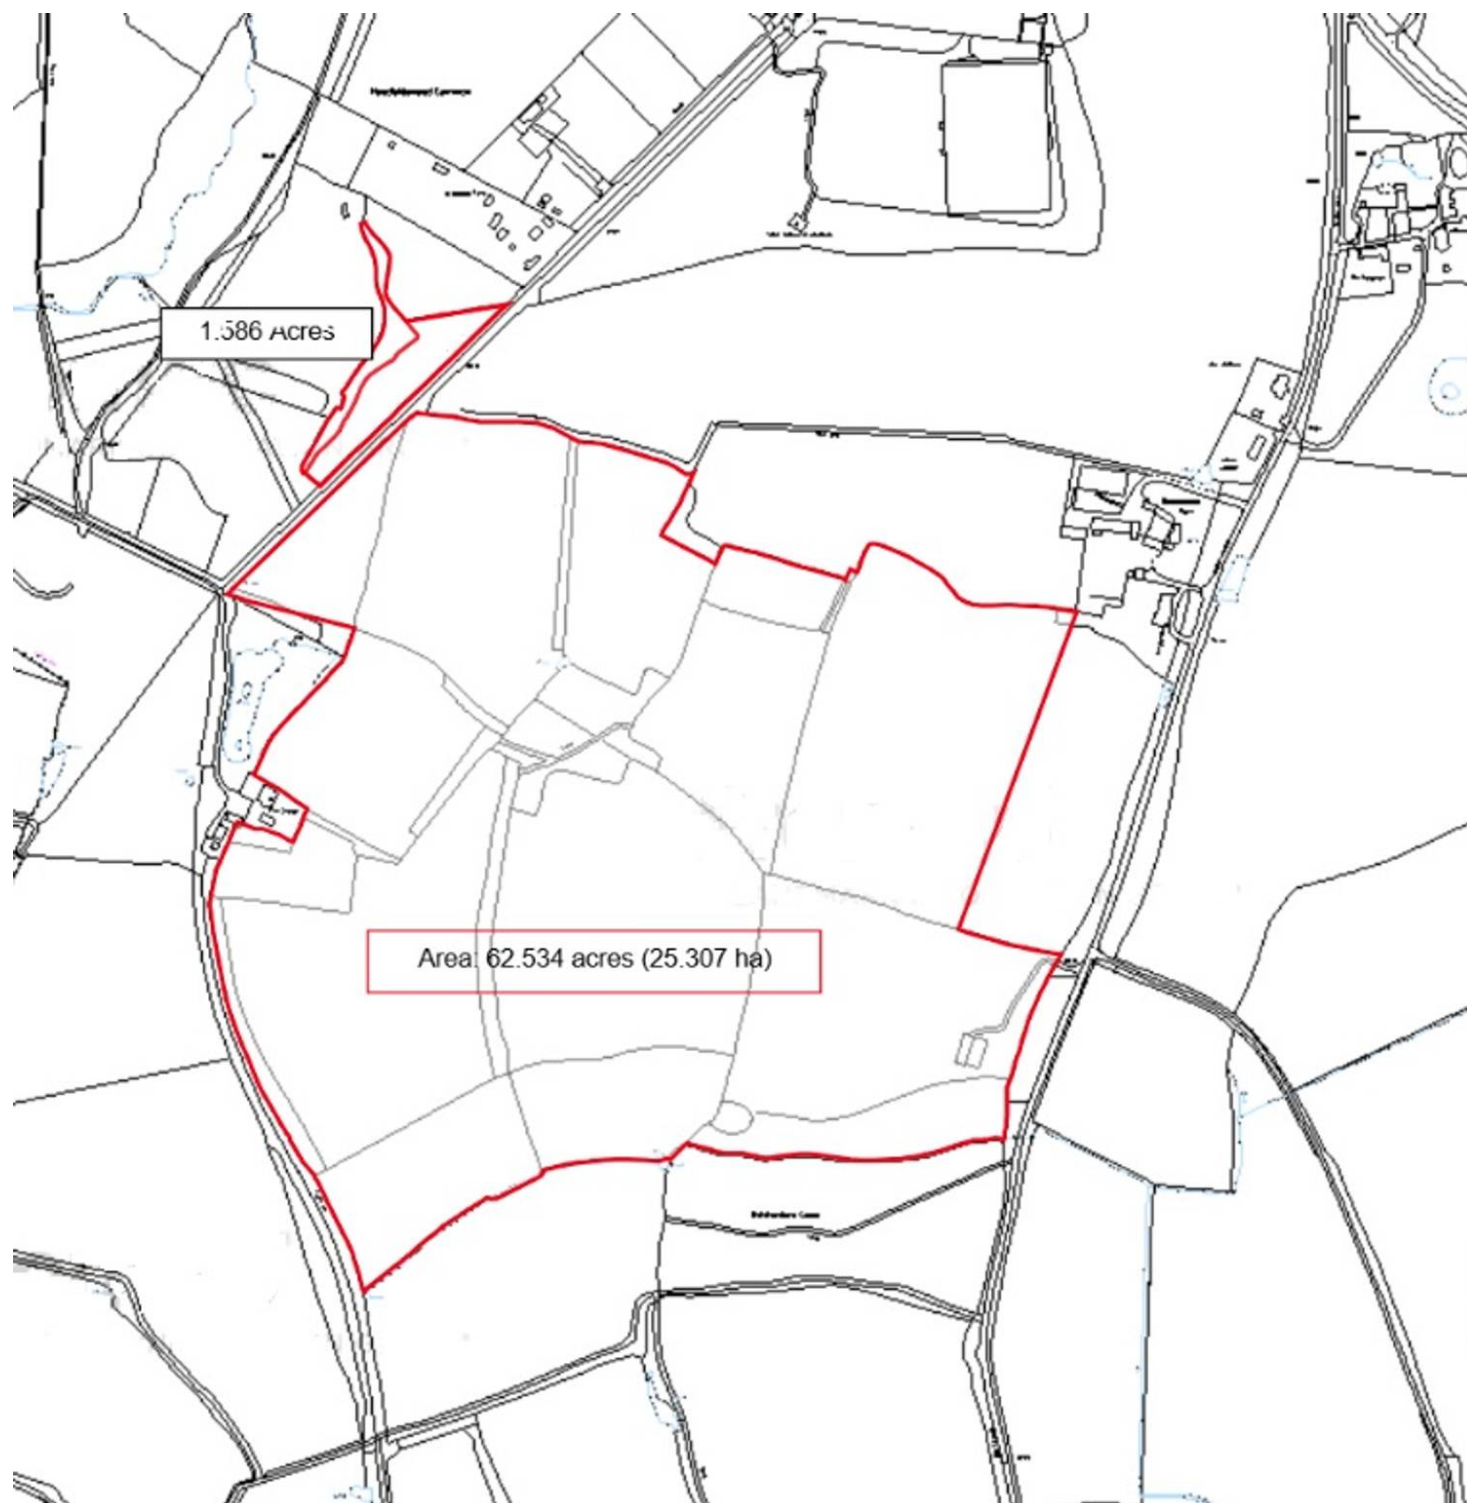

The accommodation provides three bedrooms and two bathrooms, offering well-proportioned and practical living space while retaining the character and setting associated with a rural barn conversion.

In addition to the main residence, the proposals include a **separate one-bedroom dwelling of approximately 44 sq m (474 sq ft)**. This provides a flexible combination of living and sleeping accommodation together with a kitchen, bathroom and useful storage.

The second dwelling adds considerably to the versatility of the property and could provide an excellent space for extended family, guests or those looking for independent accommodation alongside the principal home.
