Why compromise on space when you can enjoy 936 sq ft of bright, lateral living space?

Set within a private lift-served gated development with a communal garden, this impressively proportioned 3-bedroom, 2-bathroom second-floor property offers significantly more square footage than many local houses in this price bracket and is positioned to offer absolute privacy, with every window framing green views and an abundance of natural light that lasts all day.

With three well-sized bedrooms, there is ample space for everyone, whether you require a guest room, a home office, or a children's bedroom, while the master bedroom has the luxury of its own private ensuite. This is complemented with a warm and inviting open-plan living space, finished with a contemporary wood-effect flooring, perfect for both relaxation and entertaining.

Located just a short walk from Crowthorne train station, the property provides convenient connections to Wokingham, Reading and London in under an hour. A short stroll takes you to the artisan U Bakery, a pharmacy, and the local's favourite The Hive, while the nearby woodland offers scenic walks.

With an energy-efficient B rating and no onward chain, this is a rare opportunity to secure a spacious, move-in-ready home in one of the area's most sought-after school catchments.
