The Nitty Gritty (Spiderman Edition)

With great power comes great responsibility - and as your friendly neighbourhood property team, we've spun a trusted web across the community to connect you with the best professionals for the job. If we recommend someone, it's because we believe they'll help your move swing by as smoothly as possible.

Just so everything stays crystal clear (no secret identities here), a small number of the heroes we recommend - though not most - may occasionally pay us a referral fee of up to £200. There's absolutely no obligation for you to use anyone we suggest - you're always in control of your own story.

If your offer on one of our properties is accepted and you decide to move forward, there's a small administration charge of £36 inc. VAT per person (non-refundable). This covers the essential Anti-Money Laundering identity checks - keeping everything safe, secure, and above board... just the way a true hero would.
