FOUR BEDROOMED COUNTRY
RESIDENCE.

Set within approximately 17 acres, Shatton Farm has recently been redeveloped to a high standard to enable the creation of a magnificent home in tune with modern family living, whilst maintaining its inherent character.

An impressive welcome is provided by the entrance hall, which is located within an amazing glazed link and connects the main living areas.

The heart of the home is undoubtedly the living kitchen: a place where functionality and serenity meet. A high-quality breakfast kitchen features a large central island, a range of appliances by Faber, Siemens and CDA, and a good-sized pantry that is cleverly hidden within the cabinetry. Within the living kitchen is an exceptionally spacious lounge/dining room, which offers flexibility for different layouts, and showcases a log burner and a fitted dining booth that seats between five-six people.

Further space for relaxing and hosting is provided by the spectacular sitting room that sits beneath a partially vaulted ceiling and is filled with natural light. Two sets of double doors open to the front of the property, allowing seamless transitions to the tranquil outdoor spaces.

Across the first floor are three generously proportioned bedroom suites, including a sumptuous master suite that enjoys lovely countryside views and has a luxurious en-suite bathroom. The fourth bedroom suite is accessible from the sitting room, making it ideal for relatives or guests.

Shatton Farm boasts a substantial, gated driveway and a wonderful south-facing seating terrace that is perfect for outdoor dining and entertaining. Approximately 16 acres of grazing land is included in the sale and there is potential for the land to accommodate equestrian facilities (subject to planning for the erection of new structures).

The modern technologies incorporated into Shatton Farm make it fit for the future, including a ground source heat pump that powers the under floor heating and hot water systems.

The hamlet of Shatton is surrounded by open countryside and is well placed for a variety of localities, such as Bamford, Hathersage and Castleton. Scenic walks can be enjoyed from the doorstep, and slightly further afield are a host of beautiful Peak District attractions, including Ladybower Reservoir, Bamford Edge, Stanage Edge and Mam Tor. Rail links on the Hope Valley Line are available from stations in Bamford, Hathersage and Hope. There are road networks close by for convenient travel to Buxton, Manchester and Sheffield.

The property briefly comprises of on the ground floor: Entrance hall, sitting room, plant room, cloakroom, WC, utility room, storage cupboard, living kitchen and pantry.
