

FOURWINDS

LONELY LANE, PULHAM ST MARY, IP21 4XZ

The property is a spacious, versatile and superbly presented country house with delightful gardens and far reaching views. It has no immediate neighbours and is in an idyllic rural setting yet for convenient for Harleston and the Pulhams.

The property is a superb period house that has been extended and updated, and is surrounded by open fields. It offers superbly presented accommodation that is both spacious and versatile.

The front door opens to a spacious entrance hall that leads to the impressive vaulted drawing room with woodburning stove, a study/bedroom 5 and a ground floor shower room. It is considered this area could potentially be arranged to create a self-contained annexe. From the hall is a spacious dining room which connects brilliantly with the sitting room and the excellent kitchen/breakfast room. It is fitted with a comprehensive range of painted shaker style units and an Aga. The breakfast area has superb rural views. There is a large pantry and an impressive utility room. Also on the ground floor is a further reception room/study with a door to outside and would work brilliantly for those working from home and have clients visiting. On the first floor are four double bedrooms with the principal benefiting from an ensuite and there is a family bathroom.

The vendors have landscaped the gardens and both the house and its rural setting, are perfectly arranged for entertaining. There is even a terrace with outdoor kitchen at the rear of the property enjoying panoramic westerly views and ready for alfresco entertaining. The gardens form a wonderful backdrop to the house. To the front is a kitchen garden area with raised beds and bordered by mature hedging. The principal area of the garden is laid principally to lawn and bordered by some wonderfully stocked flowerbeds.

At either end of the ground floor is an attached garage, one of which is used as workshop. In the garden is a detached outbuilding which has been converted at one end to form a leisure/games room with feature Middle Eastern fire. The other end of the building is divided into two garden stores. There is gravel driveway from the road providing parking for several cars.
