PARTICULARS OF SALE

This is a modern, self-contained, 2 bedroom 2nd floor flat, positioned on the corner of the building with windows facing south and west looking down towards Sandsend & Mulgrave as well as to road at the front communal. It is available for immediate occupation with no forward chain.

These flats are specifically designed for older residents and a covenant restricts occupation of the properties to mature residents. There is a house manager and care-line facility available 24 hours a day, 7 days a week, for peace of mind.

Lifts give level access throughout the building. Although a two bedroom apartment, there are also guest suite facilities available on the site. Other facilities include communal gardens, lounge and laundry. There is also private parking available on a first come, first served basis.

Approached from the car park, the main front doors open into an entrance vestibule, with further doors leading into...

Apartment 49

Perhaps one of the best within the scheme, Apartment 29 is one of the larger flats and enjoys a great position with dormer windows set on the corner looking over towards Mulgrave and across the town.

This property has 2 bedrooms, allowing for guests or perhaps use as a room for hobbies or just storage. Built in the early 2000s, the property still feels modern and fresh and is very well maintained although perhaps new carpets would not go amiss in certain rooms.

From the communal 2nd floor landing the door opens into ...

Hallway: A useful unusual shaped hallway with a recessed cupboard for storage and housing the electric hot water system, the consumer unit meters for the electric etc. The hallway itself has a panel for the alarm system and a night storage heater. From here, doors lead down to...

Living Room: The living room itself has uPVC double glazed dormer window to the front of the building with two further windows allowing light into the apartment.

The living room offers plenty of space for a full dining suite as well as sofas and chairs set around a quartz feature fireplace. Double doors open from here into

Kitchen: The kitchen has a uPVC double glazed window to the front and is fitted with a range of wall and base units comprising cupboards and drawers under laminate worktop, with an inset, stainless steel sink unit. The kitchen has a wall mounted electric fan heater, part tiled walls and the integrated appliances include an electric oven, a hob with a cooker hood over and integrated fridge and freezer.

Bedroom 1: A spacious double bedroom with a large uPVC double glazed window to the west and night storage heater. There are built-in wardrobes with folding fronted doors.

Shower Room: The internal shower room has tiled walls, an extractor fan, a wall mounted electric fan heater and an electrically heated towel rail. Set above the sink is a shaver light unit and the suite itself comprises a WC with a dual flush, low level cistern, a vanity unit with inset basin and walk-in shower.

Bedroom 2: An irregular shaped generous double bedroom with 2 uPVC double glazed dormer windows to the side and a large built-in wardrobe with mirrored fronts.
