Offers Over £850,000

Tucked away in the heart of the ever-popular village of Inkberrow, this beautiful Edwardian detached home sits within just over half an acre of private, gated grounds. With its wrap-around, professionally designed mature garden and generous living space of over 2,300 sq ft, it's a home that offers both character and flexibility in equal measure. The property also benefits from solar panels installed on the roof, helping to improve energy efficiency.

Inside, the layout is ideal for family life and would also lend itself well to multi-generational living. The kitchen/dining room is a real hub of the home, perfect for everyday living as well as entertaining, while the separate living room, dining room and cosy family room provide plenty of space to spread out. There's also a study for those working from home, along with a utility room, cloakroom/WC, and a light-filled conservatory that looks out over the garden.

Upstairs, you'll find four well-proportioned bedrooms. The main bedroom is particularly spacious and benefits from a Jack and Jill bathroom, while the remaining bedrooms each enjoy their own en suite shower rooms.

The gardens are a standout feature, having been thoughtfully and professionally designed to create a beautiful and private outdoor setting. A decked seating area is perfect for summer evenings, and there's also a brick-built detached garage, log store, and a large driveway providing ample parking.

Inkberrow is a thriving community having a highly rated Primary School, two pubs and easy access to Worcester, Stratford and some stunning countryside. A lovely home in a great setting, with space to grow into and enjoy for years to come.
