Victorian Semi-Detached Home

*** GUIDE PRICE £290,000 - £300,000 ***

Nestled in the heart of ever-popular Sherwood, this charming three-bedroom Victorian semi-detached property on Percival Road blends period elegance with comfortable modern living. Just a stone's throw from Sherwood High Street, the home offers unrivalled access to local shops, cafés, schools, excellent transport routes, and Nottingham city centre—reachable in under ten minutes.

From the outset, the property's character is clear. Set behind a gated front garden, a beautiful external porch with original Victorian tiling leads into a warm and welcoming entrance hall, where high ceilings and well-preserved architectural features immediately impress.

The ground floor has been thoughtfully opened up to create one large, dual-aspect reception room, allowing light to flood in through the bay window at the front and a second large window to the rear. This generous living space retains its period charm with twin fireplaces, original cornicing, plush carpeting, and an airy, elegant feel—ideal for both everyday living and entertaining.

To the rear of the home is a spacious kitchen diner with views out to the garden, integrated white goods, and side access leading outdoors. This is a practical and sociable space, perfectly suited for family life. From here, there's also access to a useful two-room, plumbed cellar—offering ample storage or potential for further development, whether as a utility space, wine store, or home office.

The rear garden is a true highlight of the property. Thoughtfully landscaped and arranged across three distinct, tiered levels, it offers a tranquil, private outdoor retreat. With a mix of seating areas, a charming water feature, and the benefit of being non-overlooked, it's an ideal space for both relaxation and entertaining. Sun reaches different parts of the garden throughout the day, making it perfect for outdoor living. A secure side gate provides convenient access back to the front of the property.

Upstairs, the spacious master bedroom spans the front of the property and features twin sash windows, high ceilings, and built-in storage, creating a bright and comfortable sanctuary. The second bedroom, a generous double, overlooks the garden and includes a wall-mounted TV, currently serving as a storage room but easily reinstated as a bedroom. A third single bedroom sits to the rear and would make an ideal child's room, nursery, or home office.

The recently fitted family bathroom is finished to a high standard, offering a clean, modern three-piece suite in immaculate condition. The property further benefits from a newly fitted boiler, providing efficient and reliable heating throughout. A landing airing cupboard and access to the loft provide additional storage options.

Offering style, space, and a prime Sherwood location, this beautiful Victorian home is ideal for families, professionals, or anyone seeking a character property in a thriving community. Early viewing is highly recommended to appreciate all this home has to offer.
