SITUATION

12 Trelispen Park is on the edge of the popular sought after coastal village of Gorran Haven with a most delightful sandy beach and stone quay. The coastal footpath offers scenic walks to the south via Menease Point to Vault Beach and beyond, and to the north lies Chapel Point and Mevagissey.

The village itself offers a range of local amenities with a more extensive selection found at Mevagissey arranged around its array of cobbled streets and charming harbour.

The bustling town of St Austell is about 9 miles distant where there is a wider range of facilities including comprehensive shopping, banking, schooling and recreational amenities. About 16 miles to the west is the cathedral city of Truro which forms the retailing, administrative and cultural centre of the county.

Both St Austell and Truro have mainline railway stations connected to London Paddington whilst Newquay Airport on the north coast offers a number of scheduled, domestic and international flights.

DESCRIPTION

The approach to 12 Trelispen Park is via a 5-bar timber gate which opens to a concrete drive where there is parking for a number of vehicles and adjacent to which is a further gravelled parking if desired.

Paths therefrom lead to a part glazed front door which opens to an Entrance Hall with base level storage cupboards with timber bench over and which opens to a Hallway with downlighters and wood effect floor. Off the Hallway is a modern part glazed door which opens to a fine L-shaped Open-plan Kitchen and Living Room which is light and spacious. The Kitchen presents a modern U-shaped range of base and eye level Shaker style units with compact marble effect worktops to splashback, undermounted double bowl stainless steel unit with flexible mixer tap, four-ring ceramic hob with extractor hood over, built-in fan assisted oven with separate microwave over, wine rack, integral dishwasher and larder cupboard. Adjacent is the Living Area being a fine good sized and well-proportioned room with wide patio doors to an outside seating area, Velux windows and a picture window.

Off the Hallway are three Bedrooms with outlooks to the front and rear, a Linen Cupboard, separate storage cupboard and door to the Bathroom with P-shaped bath with contemporary rainshower and hand-held shower, tiling and screen over, suspended modern vanity washbasin with circular bowl and wc.

OUTSIDE

To the front adjacent to the multiple car parking is a level lawn garden with hedge and palm borders and to the rear, with an access around from the side, as well as direct rear access from the hallway, is a good sized private recreational garden with areas of lawn intersected by paths and steps up to an extensive rope bordered, level decked seating area, with wide pergola providing shade.

Included within the garden are two timber lean-to Log Stores and adjoining the house is a part glazed door to a small Storage Room.

THE GARAGE/WORKSHOP

Adjoining the house on the southern side is a long, good sized garage with up and over door, power and lighting, rear personnel door to the rear garden and Workshop Area. The workbench is included in the sale.
