Kingsview is a superbly positioned detached home in a prominent yet unexpectedly private setting within Kingsbridge. Enjoying an elevated, south-westerly facing position with panoramic views across the town to the surrounding hills, the property offers generous, light-filled and highly versatile accommodation.

The bespoke property was built in the late 1990s and later extended to a high standard, Kingsview now provides flexible four-bedroom living, including a one-bedroom annexe, all within easy reach of the town centre, local schools and amenities.

The ground floor comprises an entrance hallway with WC and storage, leading through to an open-plan living and dining area. This inviting space features a charming window seat and town views, flowing naturally into the kitchen/ breakfast room. The layout achieves an ideal balance of openness with clearly defined zones. The well-appointed kitchen/breakfast room includes contemporary units and doors opening directly onto the rear garden, creating excellent indoor/outdoor living for entertaining. Further benefits include access to a pantry, utility room and rear hallway.

The main bedroom accommodation is arranged on the first floor. The principal suite offers built-in storage, a spacious en suite with separate bath and shower, and a private balcony enjoying stunning south-westerly views. Two further double bedrooms provide generous proportions, built-in storage and impressive outlooks over the town and estuary. A modern shower room and airing cupboard completes this level.

A significant additional feature is the self-contained

one-bedroom apartment. This can easily be reconnected to the main house or retained as independent accommodation. It comprises an open-plan living area with kitchenette and doors to the courtyard, a wet room shower room and a double bedroom. Accessible from the rear hallway of the main house or via its own entrance, this area has been designed with accessibility in mind and is ideal for multi-generational living, guests, relatives or potential income.

Externally, the property benefits from a large private driveway providing ample parking, a PodPoint EV charger, along with an integrated heated garage accessed from within the house. The south-westerly facing gardens include a main patio and lawns, enjoying sunshine throughout the day and memorable sunsets. A further highlight is the private gated steps leading from the garden, providing convenient pedestrian access into the town centre.
