A fantastic opportunity to purchase an extended detached bungalow occupying a pleasant, established, corner plot within this popular development, located within easy reach of the wealth of local amenities.

This individual single storey home has been thoughtfully extended and reconfigured to create a versatile layout extending to just in excess of 1,100 sq.ft. and, in its current layout, provides two double bedrooms, two main receptions, a generous kitchen and two bathrooms. An interesting single storey extension has created what has been utilised as a formal dining room with a dual aspect and an attractive high vaulted ceiling but could, potentially, provide a third bedroom linking through into a second bathroom making it ideal as possible annexe space for extended families.

The property offers relatively modern fixtures and fittings with an updated kitchen and sanitary ware as well as neutral decoration throughout, gas central heating and UPVC double glazing.

As well as the internal accommodation the property occupies a pleasant established corner plot. The majority of the gardens run to two sides, set back from the road behind well screened perimeter fencing with established hedging and shrubs which has developed a good suitable level of privacy.

In addition a driveway provides off road car standing and leads to a detached brick built garage which provides useful workshop space or additional secure parking and behind which is a useful timber storage shed.

The property is offered to the market with no upward chain and is likely to appeal to a wide audience being potentially large enough to accommodate families but, in the main, will probably appeal to those downsizing from larger dwellings looking for a single storey home that's within easy reach of the heart of the town.
