This charming mid-terrace house offers a traditional brick façade and a compact yet well-laid-out interior arranged over two floors. The ground floor features a reception room with garden access and a separate kitchen, while upstairs there are three bedrooms and a family bathroom. The interiors reflect an older style, with dated décor and fittings throughout, presenting a clear opportunity for modernisation and personalisation. To the rear, there is a private garden space, adding outdoor appeal. Overall, the property offers good potential as a refurbishment project in a classic residential setting.
