IF YOU LIVED HERE...

Step inside and the hallway leads through to a generous open plan kitchen, dining and reception room. The kitchen sits neatly along one wall, leaving ample space for a dining table as well as a comfortable seating area. Wide doors draw in plenty of natural light and open directly onto the private balcony, creating an easy connection between inside and out. It's a lovely spot for morning coffee or a little fresh air at the end of the day.

Both bedrooms sit separately from the living space, giving the apartment a practical sense of balance. The principal bedroom is an impressive double with fitted wardrobes tucked behind sliding doors, while the second bedroom is another well proportioned room that works equally well as a guest bedroom, home office or study, depending on your needs. The bathroom is generously sized and finished in contemporary style, with a bath and overhead shower, while useful hallway storage helps keep day-to-day living organised.

With its thoughtful layout, private outdoor space and generous proportions throughout, this is a home that will appeal to first-time buyers, professionals and anyone looking for an easy move in a well-connected part of Walthamstow.

WHAT ELSE?

- Blackhorse Road station is within easy reach, offering Victoria line and Overground services for straightforward journeys into central London and across the city.

- The ever-popular Blackhorse Beer Mile is nearby, where you'll find independent favourites including Signature Brew, Exale Brewing and Big Penny Social, alongside great places to eat and meet friends.

- Walthamstow Wetlands is close by for waterside walks and wildlife, while Lloyd Park offers open green space, tennis courts, the William Morris Gallery and a popular Saturday farmers' market.

WORD FROM THE EXPERT...

"I love living in Walthamstow – it's got such a great mix of things going on. Saturdays are my favourite, with the market in Lloyd Park full of fresh food, handmade bits, and plenty of friendly faces. The new Soho Theatre has brought amazing shows right to our doorstep, and if I fancy a pint, the Blackhorse Beer Mile breweries are perfect for a wander. When I need some fresh air, the Walthamstow Wetlands are just a short stroll away – all that greenery makes you completely forget you're in London. Plus, with brilliant transport links, it's so easy to hop on the Tube or Overground and be in Central London in no time at all".
