****GUIDE PRICE £400,000 TO £425,000**** Situated in a prime corner position within a peaceful cul-de-sac on one of the area's most sought-after modern developments, this beautifully presented and impeccably maintained detached family home enjoys attractive views over playing fields to the rear.

One of the property's most appealing features is its enviably quiet setting, while still being just a short walk from the centre of Burnham and a wide range of local amenities. These include highly regarded schools, a doctors' surgery, post office, and a selection of pubs, shops, and restaurants. The scenic banks of the River Crouch are also close by, offering delightful countryside walks.

The light, airy, and spacious accommodation begins with an inviting entrance hall, leading to a comfortable living room, cloakroom, and an impressive kitchen/diner — ideal for modern family living and entertaining. The kitchen is complemented by a separate utility room for added convenience.

Upstairs, a generous landing provides access to a contemporary family bathroom and three double bedrooms. The principal bedroom benefits from a refitted, luxurious en-suite shower room, while the remaining two bedrooms enjoy attractive views across the playing fields.

Externally, the property boasts a well-maintained and generously sized rear garden. To the front, a block-paved driveway provides extensive off-road parking for two to three vehicles and includes an EV charging point.

Further enhancing the home's appeal are the installed solar panels, contributing to excellent energy efficiency (see agent's note). An early viewing comes strongly advised. Energy Rating B.

AGENTS NOTE - SOLAR PANELS:

The system was installed in early 2023 by Greenscape Energy and comprises of 12 x 415-watt solar panels. It also features a three-battery storage system located in the loft, enabling surplus electricity generated during the day to be stored for use overnight or exported back to the grid. This significantly reduces monthly energy costs. The property is frequently able to operate entirely off-grid,

and the system integrates intelligently with the EV charger, allowing vehicles to be charged directly using self-generated solar energy.

TENURE & COUNCIL TAX BAND:

This property is being sold freehold and is Tax Band D. The Vendor has advised the Estate Management Charge paid annually in January is £414.37.
