SITUATION

Strawberry Cottage is situated near Oakford, a much sought after and delightful elevated village, surrounded by open countryside. The village includes The Red Lion public house, village hall and parish church. The small town of Bampton is 5 miles distant, offering a wider range of amenities, catering for most everyday needs including a primary school. Dulverton and Exmoor National Park are approximately 5 miles. The market town of Tiverton lies approximately 10 miles to the south providing a good range of amenities including both private and state schooling, many shops catering for a wide variety of needs, supermarkets, banks and building societies, hospital, leisure centre and golf course. At Junction 27 of the M5 motorway lies Tiverton Parkway Railway Station, with an intercity link to London Paddington taking approximately 130 minutes, whilst both Exeter and Taunton are within easy commuter distance.

DESCRIPTION

From the country lane a small driveway with electric gates leads to the newly constructed garage and parking area, with further parking in front of the cottage. The property has colour washed and rendered elevations under a very attractive thatch roof with timber glazed and leaded casement windows. An attractive thatch and timber storm porch shelter a leaded and glazed front door.

ACCOMMODATION

Upon entering the property there is a spacious entrance hall that leads through to the rear garden whilst also providing access to a snug/study and utility room. Leading on through to the main house, the hallway has a WC situated off of it and leads through into the beautiful country style kitchen. The kitchen is fitted with wood effect worktops with a range of base and wall units, electric hob, extractor, traditional white ceramic sink, integrated dishwasher, two electric ovens and tiled splashbacks. The main sitting room is filled with period features including an exposed stone wall, wooden beams, open fire and a hidden door leading to the snug. The snug is currently used as a gym but would be a superb play room, study or ground floor bedroom.

On the first floor there are three well proportioned bedrooms all of which benefit from fitted wardrobes. The newly fitted family bathroom comprises of a 'his and hers' sinks, WC and bath.

OUTSIDE

The property is surrounded by fabulous gardens with large expanses of lawn bordered by mature hedging and trees. Throughout the garden there are wonderful specimen trees, some of them currently in blossom. There are also various borders with shrubs and flowering plants. At the far end of the garden is a useful outbuilding, currently used as a garden shed and mower store.

Located next to the parking area is a large double garage with ample space for two cars and additional storage. Situated above the garage and accessed via its own external staircase is the ancillary accommodation to the main house. There is a newly fitted shower room with shower, basin and WC. Beyond this is a large open room with ample electricity sockets. This space could be used as additional accommodation to the main house, a brilliant home office or children's games room.

AGENTS NOTE

Under application ref: 16/00009/HOUSE planning permission has been granted for a two-storey extension to the rear of the house and will create a large open plan living area with bifold doors and a spacious bedroom on the first floor with an ensuite shower room.
