About The Property

The property is a deceptively spacious, modern semi detached house, constructed in 2023 by Bovis Homes, which offers excellent accommodation and is presented in superb order throughout.

The kitchen/dining room has an excellent range of blue fronted base and wall units with an integrated electric oven and gas hob with an extractor over and space for a fridge/freezer and washing machine. On the first floor, the main bedroom has two sets of mirror fronted, fitted wardrobes and an en suite shower room. There is a further double bedroom with fitted wardrobes and bookshelves and there is a good size single bedroom with a storage cupboard. The family bathroom has a white suite with a shower over the bath.

To the rear is a well stocked garden with lawn and patio and an outside tap and light. There is a side access gate that leads to the driveway which provides off road parking for two cars and there is a single garage. This measures 5.51m x 2.76m and has power and light.
