SITUATION & AMENITIES

Moorparks fronts a little-used, no-through country lane, otherwise surrounded by its own ground, within the sleepy Hamlet of Rapson, which is less than a mile from Roborough village. The property enjoys delightful views over open countryside. Village amenities at Roborough, High Bickington and Dolton are within easy access. Wider amenities are available at Torrington, Bideford, Barnstaple and South Molton – again, all within easy access. The coast, Dartmoor and Exmoor National Parks are all within striking distance, as are rail links to Exeter. The Link Road, at Barnstaple, leads on in a further 45 minutes to Junction 27 of the M5 motorway and where nearby Tiverton Parkway provides a fast service of trains to London, Paddington, in just over 2 hours. The area is well served by excellent state and private schools, including the renowned West Buckland school. The nearest international airports are at Bristol and Exeter. North Devon's famous coastline and surfing beaches at Instow, Croyde, Putsborough, Saunton (also with Championship Golf Course) and Woolacombe are all about 45 minutes by car. For those interested in equestrian pursuits, there is an active equine community travelling to nearby Southcott, The Grange and Bicton, with leisure and fun riding enjoyed across Dartmoor and Exmoor. For the country enthusiasts, hiking, shooting and golfing can be found within a 15-mile radius.

This detached, characterful farmhouse is of period origin with a more recent in-keeping extension.
