THE PROPERTY

The Old House is an attractive and spacious detached house situated in the exclusive Moreton Paddox community. The property dates to the 19th century and benefits from exposed timber beams and doors throughout, blending traditional character and charm with modern day living.

The front door opens to a characterful entrance hall with stairs rising to the first floor. A door on the left opens to a WC, and double doors straight ahead open to a charming, dual aspect dining room with French doors providing access to the beautiful, south westerly facing lawned garden. This flows into a spacious, open-plan kitchen complete with traditional Aga, integrated Neff appliances, space for a fridge freezer, ash fronted units with granite work surfaces, exposed ceiling timbers and dining area. A cosy snug and a large utility room, with an array of fitted cupboards and an external door, are accessed directly from the kitchen/breakfast room. Double doors in the entrance hall open to an elegant drawing room, complete with a polished wooden floor, exposed beams, inglenook fireplace with slate hearth, brick inset with wood burning stove and a large bay window overlooking the lawned garden. This flows into a corridor which provides access to two generous bedrooms, one of which benefits from a spacious dressing room, and a bright and airy, vaulted family room that is currently used as a music room and provides access to the delightful garden through glazed French doors.

Stairs from the entrance hall rise to the first-floor landing which provides access to a luxurious Principal bedroom suite, comprising a large dressing room with beamed ceiling and fabulous en suite with corner bath and his and hers basins. The first floor extends to three further bedrooms, one of which is currently used as a study, and a spacious family bathroom. Stairs in the family room also rise to the first floor and provide access to the en suite bathroom of the principal bedroom.

OUTSIDE

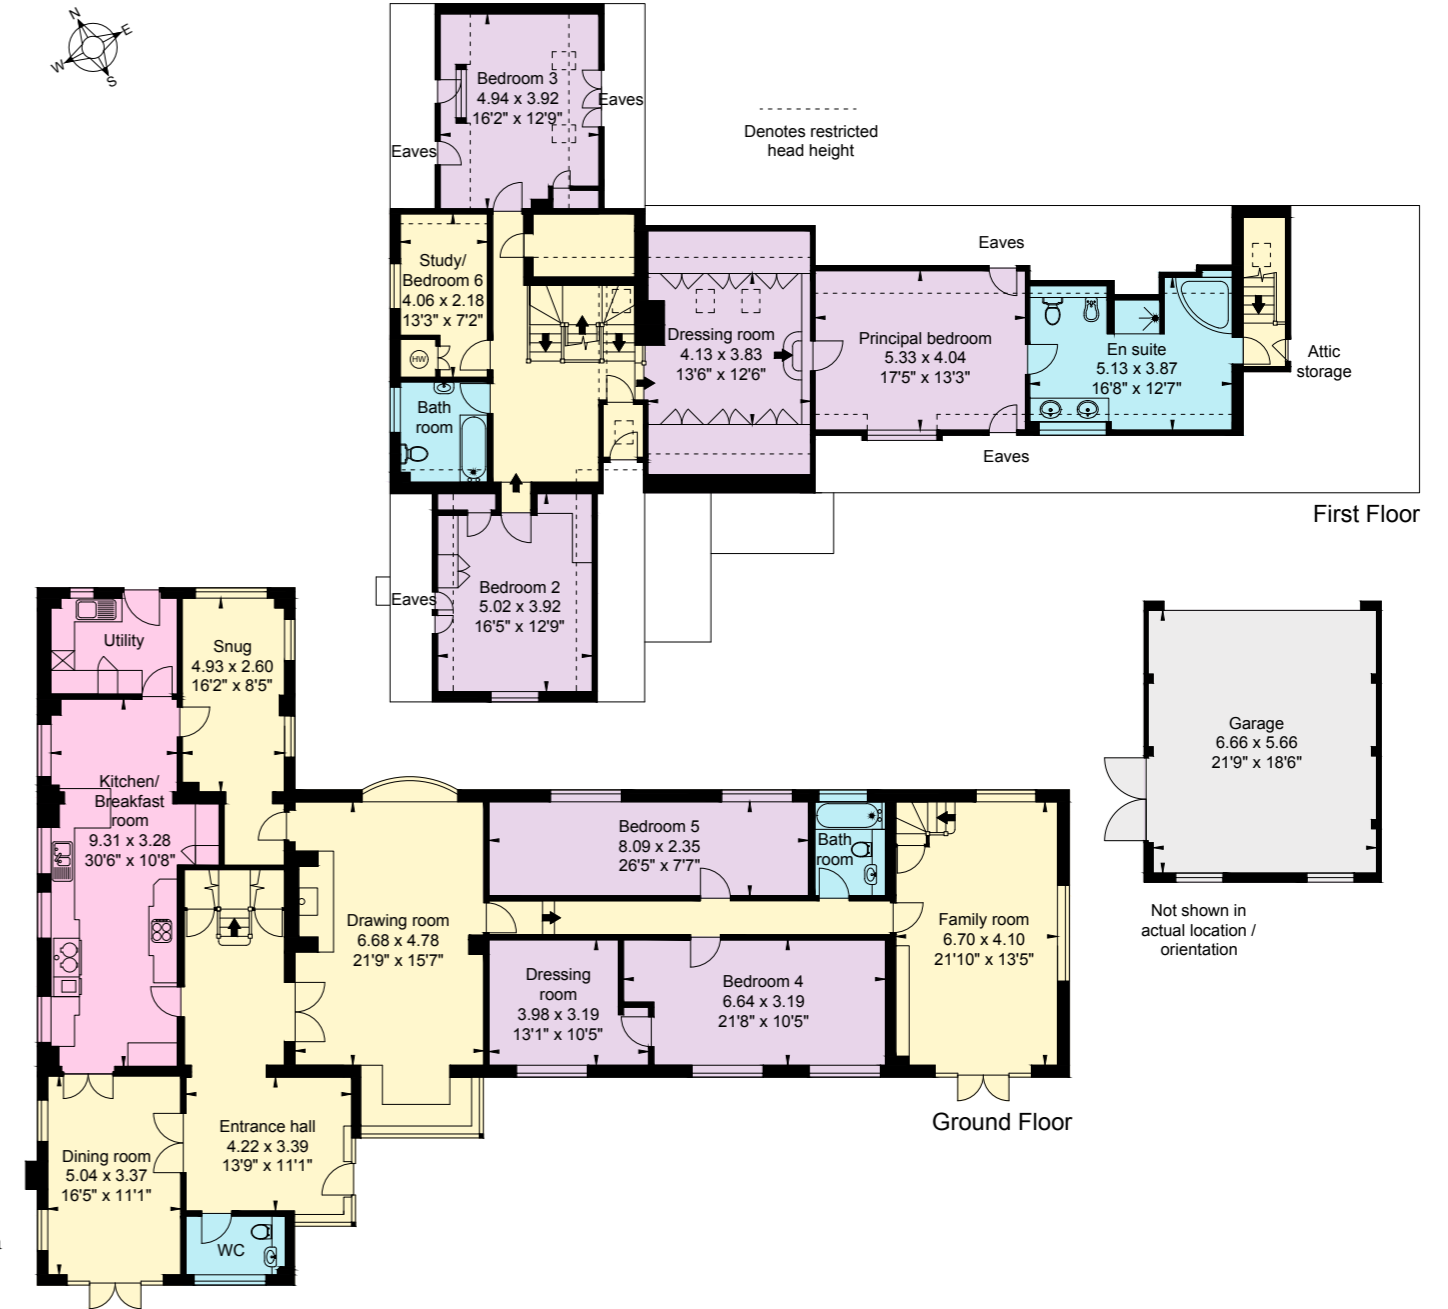

Externally, the property is accessed by a private driveway with ample parking space for a number of cars and benefits from a double garage constructed in red brick with a pitched tiled roof and electric automatically operated doors.

York stone paving leads to the front door and provides access to the landscaped garden with herbaceous borders, terrace, box hedging and a variety of fruit trees. The garden is spacious, principally lawned and offers complete privacy and seclusion, with a stone paved patio providing a wonderful space for outdoor entertaining and dining.
