A TWO BEDROOM SECOND FLOOR
RETIREMENT APARTMENT.

£225,000 Leasehold

Situated in Carpenter Court, a McCarthy Stone exclusive development, can be found this two double bedroom, second floor retirement apartment.

This high quality development of 48 one and two bedroom retirement apartments was completed in 2018. Designed to make day to day life comfortable and convenient, but without compromise on quality. The kitchen features a built-in oven positioned at waist height (to reduce bending) and an integrated fridge/freezer. The apartment has comfortable electric heating, as well as a Vent-Axia fresh air system. Additional details include raised plug sockets and 24-hour call system. There is also a generous amount of storage.

There is a home owners lounge which provides an ideal space for socialising with family, friends and neighbours. Enjoy tea in the landscaped garden or in the large conservatory when the weather is inclement. A House Manager is available during week days and there are a number of social events put on throughout the year, which are optional.

There is lift access to all floors and the apartment is situated on the second floor to the rear of the block which provides for a great vista on the gardens and surrounding area, with fields and woodland in the distance. Situated on the Stapleford/Bramcote border, there is a useful parade of shops adjacent to the building, including Co-Op, and there is a regular bus service.

Having two generous bedrooms, as well as a living dining space, this property is ideal for those looking to downsize without compromise.
