”

This beautifully presented four bedroom detached home on Ladbroke Road in Redhill has been extensively extended and modernised in recent years to create a spacious and versatile family house finished to a high standard throughout. Set back from the road with a private driveway and EV charging point, the property offers immediate practicality and strong curb appeal, while the integrated garage provides excellent storage and clear potential for conversion if additional living space is ever required.

Internally the layout is generous and well balanced, ideal for modern family life. The ground floor is centred around an impressive kitchen, dining and family room across the rear of the house, complete with ample worktop space, a central island and bifolding doors opening onto a west facing garden. This bright and sociable space is perfect for entertaining and enjoys open views across the park behind. There is also a separate living room for quieter evenings along with a dedicated play room or home office, giving valuable flexibility.

Upstairs are four well proportioned double bedrooms, all offering comfortable accommodation and good natural light. The principal bedroom benefits from its own en suite shower room, while the contemporary family bathroom serves the remaining rooms, making the home particularly suitable for growing families or visiting guests. The overall finish is stylish and move-in ready.

The rear garden enjoys a sunny west facing aspect and backs directly onto Memorial Park, creating a rare sense of openness so close to town. Despite its peaceful outlook, the property is only a few minutes' walk from Redhill mainline train station, providing fast and frequent links into London and beyond. This is a superb opportunity to secure a substantial, turnkey family home that combines space, style and everyday convenience in a prime location.
