## Description

A wonderful light-filled home forming part of a small, peaceful development in central Steyning, offering generous room sizes, a West-facing garden, and the added benefit of a garage with parking.

Built in 1968, this row of houses sits beside a private green, yet being just moments from the High Street. You enter through a modern UPVC front door into a bright hallway with tiled flooring and a door to the cloakroom.

The living room is wide, airy, and welcoming, dominated by a full-height picture window overlooking the front green, a stone finish fireplace, and two openings to the kitchen/dining room. Recently redecorated with new carpets throughout, the space feels fresh and inviting.

Running across the full width of the house, the kitchen/diner offers a good range of oak units, a double sink, and generous worktop space. There is ample room for a dining table and chairs, and the layout provides easy access to the garden via both a kitchen door and French doors—ideal for summer living.

An open-tread staircase leads to the first-floor landing, where you'll find a storage unit with shelving, an airing cupboard, and a loft hatch. An open office sits proud with two large windows overlooking the front with roof top views and the Downs beyond. This room could be separated to create a third bedroom if required. There are two comfortable double bedrooms, each with built-in wardrobes and large windows overlooking the front and rear gardens. The bathroom is notably spacious, fully tiled to walls and floor and including a bath with multi-jet shower above. The house is fully double glazed, with gas-fired central heating and solar panels on the roof.

Outside, the front features a couple of neat flowerbeds, while the West-facing rear garden is mainly paved for ease of maintenance, complemented by mature borders and gated rear access. An electric awning provides welcome shade from the afternoon sun. A nearby garage in a block has an up-and-over door and a parking space in front. No forward chain.
