Hunters are pleased to bring to the market this spacious and versatile three/four-bedroom detached home, boasting huge curb appeal and an attractive frontage, generous living accommodation, beautiful gardens and a detached garage.

The ground floor offers excellent living space, with a bright and generously proportioned living room leading through to an impressive kitchen diner. The kitchen is fitted with a range of modern units, integrated appliances and a central island with breakfast bar seating, creating a fantastic space for both everyday living and entertaining.

A particular highlight is the spacious sunroom, enjoying plenty of natural light and pleasant views over the gardens. There is also a separate living/dining room, offering further flexibility for families or those requiring additional living or home-working space.

The ground floor benefits from a useful additional room, which could be utilised as a fourth bedroom, occasional room or further reception space, depending on the purchaser's requirements. A utility area, shower room and additional storage complete the ground floor.

To the first floor are three well-proportioned bedrooms, a family bathroom and an en-suite shower room.

Externally, the property is surrounded by attractive lawned gardens with established planting and mature borders. A substantial driveway provides ample off-road parking and leads to a detached garage, with gated access adding privacy. The garden also benefits from a useful shed for additional storage.

We have been advised that the property has oil-fired central heating and a private septic tank.

Offering approximately 1,842 sq. ft. of accommodation, this generously sized home provides a fantastic combination of flexible living space, four bedrooms, beautiful gardens, plentiful parking and excellent outdoor storage.
