No.73 Great Eastern Street is a well presented period home of traditional brick elevations under a slate roof, retaining various period features and situated close to the train station, in the heart of Romsey Town.

On the ground floor are 2 reception rooms, including a living room with a feature fireplace, built-in shelving and storage. Adjoining the dining area is a kitchen with a breakfast bar and a range of integrated appliances.

Upstairs are 2 double bedrooms with exposed floorboards and feature fireplaces, along with a bathroom.

Outside the west-facing garden is predominantly laid to lawn and partially enclosed by fencing. There is a useful storage shed at the foot of the garden which offers exciting potential and could be renovated into a smart home office / studio space.

Agent's Note:

As is common in many period terraced homes throughout the city, there is a communal path connecting 8 properties, providing a pedestrian right of access back to the front of the street.

Great Eastern Street lies off of Mill Road about 1.5 miles south-east of Cambridge City Centre. Mill Road itself offers a varied and eclectic selection of shopping, restaurants, bars and other facilities whilst the city centre is within walking or cycling distance.

Romsey Town has a unique atmosphere and a wealth of eateries and superb public houses. There are several parks and schooling is available for all ages.

The location provides easy access to the railway station for London Liverpool Street, and King's Cross & the Thameslink network.
