2 Starboard Avenue, Hull, HU6 7BJ

£150,000

Symonds and Greenham are delighted to present this three bedroom semi detached bungalow, situated on Starboard Avenue, just off Compass Road in HU6. Offering generous accommodation across two floors and occupying a good sized plot, the property is in need of renovation throughout but provides an excellent opportunity for a buyer looking to put their own stamp on a home.

Positioned within an established residential area, the property enjoys a convenient yet relatively quiet setting. A regular bus route is within easy reach, while the wide range of shops and everyday amenities along Beverley Road are close by. Kingswood Retail Park, Beverley and Hull city centre are also all easily accessible, making this a well connected location.

Internally, the property opens into an entrance hall leading to the spacious living room which offers plenty of scope to create a comfortable main reception space. The kitchen sits to the rear of the property, while a shower room and two ground floor bedrooms complete this level, giving the bungalow plenty of flexibility for those wanting predominantly ground floor living.

To the first floor is a further bedroom, creating useful additional accommodation. There is also useful storage space situated off the landing.

Outside, the property continues to offer plenty of potential. To the rear is a good sized garden with scope for improvement and landscaping, alongside a garage and driveway providing off street parking. A smaller garden sits to the front.

Requiring modernisation throughout, this is a property with plenty of potential for someone wanting to create a home to their own taste, with the combination of a good sized plot, versatile accommodation, garage and convenient HU6 location likely to appeal to a wide range of buyers.
