Outside

The property is approached via a recently added brick wall with double stable gates opening onto a spacious paved frontage with shingle borders, providing off-road parking for multiple vehicles. Raised planted beds with decorative plants and shrubs add interest, while steps lead up to a storm porch which shelters the front door. Panel fencing encloses the frontage, and large double gates provide access through to the rear garden and additional driveway area.

The west-facing rear garden is well maintained and thoughtfully landscaped, featuring a laid lawn, patio seating area and well-stocked borders with a variety of decorative plants, shrubs and trees. A covered veranda provides an ideal space for outdoor seating and relaxation. Double gates from the front open onto a further driveway area, offering generous off-road parking for multiple vehicles and providing access to the garage. The garden also benefits from outdoor power and lighting. To the rear, gated access leads to two timber sheds, both with light and power, ideal for use as a potting shed, garden storage or workshop.

Garage

4.66 x 3.26
Accessed via the driveway and fitted with an electric roller door to the front, the garage provides useful parking or additional storage space and benefits from light and power.
