Description

The property has been updated with great attention to detail and respect for the original building making this a flowing and functional home full of hidden gems. There are many wow factors once you step inside, not least the beautiful dining area that links to the high quality kitchen with granite worktops, creating a wonderful first impression as well as being an amazing entertaining space. The living room has a wonderful feel with a double glazed window and fitted plantation shutters, and the ground floor is completed by a smart, modern shower room which our clients recently updated. Upstairs, both bedrooms are great sizes, enjoying almost identical dimensions and access to a useful loft storage area.

When you do return home at the end of a long working day, you feel as if you are stepping into your own oasis; with the 80ft South/Westerly facing rear garden all making this fine home really stand out from the crowd. There is a sunken and very private patio area which is great for BBQ's and relaxing and then steps up to the main part of the garden which is laid to lawn with a useful storage shed to the rear, although this area could easily house a detached garden cabin, if the new owners wanted options for a work from home office or gym. Albert Road has long been a hugely sought after address. Located within the College Area you will enjoy a peaceful environment within easy walking distance of the town centre. Epsom boasts a wealth of excellent schools, both in the public and private sectors, wonderful rail links and a bustling town centre and High Street which is approximately 0.5 of a mile away or a 11 minute walk.
