The Property

A characterful three bedroom barn style semidetached house, enjoying a lovely location set back from Westbrook Street in the charming village of Blewbury.

Built in 2014, this well specified property features green energy air source, central heating with underfloor heating to the ground floor, a shaker style kitchen and oak strip flooring to the sitting room, hall and kitchen and the west facing garden is a particular feature being partly walled and well stocked.

Westbrook Street is a quiet lane within the village made up of a wide variety of period houses and cottages mixed with more contemporary individual homes. Blewbury remains one of the prettiest of the South Oxfordshire villages, renowned for its vibrant and active community with a host of 50 or so clubs and societies covering a diverse spectrum of activities including the arts, sports clubs and general pastimes. Village facilities include a primary school, pre-school, a thriving farm shop, garage and convenience store, community post office and 2 village pubs.

Some material information to note: Mains water electricity and drainage. Central heating via Air Source heat pump. The property has private driveway parking. Ofcom checker indicates standard to superfast broadband is available. Ofcom checker indicates mobile availability and data voice calls could be compromised with some major providers. The government portal generally highlights this as an unlikely/very low risk address for flooding. We are not aware of any planning permissions in place which would negatively affect the property.
