Wisdom Drive Hertford SG13 7RF

Positioned at the top of a small cul-de-sac with only a handful of neighbouring homes, the approach is both peaceful and commanding.

The property has been beautifully extended to the ground floor, creating a spacious open-plan kitchen/family room – the true heart of the home. Complete with a central island, separate utility room, cloakroom/WC and full-width bi-fold opening directly onto the garden, this is a bright and social space ideal for modern family living. The south-facing garden itself is easy to maintain and backs onto woodland, offering a natural and private outlook.

The first floor provides two generous bedrooms, a cloakroom/WC and an L-shaped lounge to the front, flooded with natural light. From the landing, stairs rise to the second floor where you'll find three further double bedrooms. The principal suite boasts fitted wardrobes spanning an entire wall and a modern en-suite shower room, while the remaining bedrooms are served by the family bathroom.

The integral garage has been smartly reconfigured to create the utility room & cloakroom/WC, with the remaining space providing valuable storage. Externally, there is off-street parking for two cars.

Perfectly placed within walking distance of Hertford town centre, popular schools and Hertford East station (direct to London Liverpool Street), this home offers both convenience and quality in equal measure.
