This outstanding three bedroom detached countryside home offers an exceptional equestrian lifestyle, set within approximately six acres of well-maintained land. Secure gated access leads to a spacious block-paved driveway with extensive parking for vehicles, horseboxes, and trailers, alongside a detached double garage.

The beautifully kept gardens provide a perfect space to relax and enjoy the surrounding rural views, while the equestrian facilities are both impressive and thoughtfully designed. These include four substantial stone-built stables suitable for full-size horses, a well-equipped tack room, and a horse walker. A professionally constructed 20m x 40m arena with a fibre and sand surface ensures excellent all-weather riding conditions.

The land is divided into multiple paddocks with secure and electric fencing, allowing for easy management and rotation. The property also benefits from direct access to a network of local bridleways, ideal for hacking in both directions.
