Guide Price £285,000 - £295,000

Get ready to fall in love with this beautifully modernised three-bedroom family home, situated in the ever-popular Poplar Road. Lovingly improved by the current owners over the past 17 years, this property has been transformed throughout to create a stylish, spacious and versatile home that is ready for its next chapter.

From the moment you arrive, you'll notice the attractive frontage, with the property offering fantastic kerb appeal and a new laid Drive giving ample off road parking.

Step inside and you'll discover a home that has been thoughtfully renovated from top to bottom, blending modern living with practical family spaces.

The ground floor boasts a welcoming and bright separate living room before moving through the home where the rear of the property has been opened up to create the perfect space for entertaining and everyday family life. The impressive kitchen/dining room is complemented by a separate utility room, adding both convenience and functionality.

Upstairs offers three well-proportioned bedrooms, while the converted loft provides an excellent additional room complete with its own en-suite shower room. Although the loft conversion does not have Building Regulations approval and therefore cannot be marketed as a fourth bedroom, it offers fantastic flexibility as a home office, dressing room, hobby room or occasional guest space.

The property benefits from a generously proportioned and beautifully established rear garden, offering an excellent combination of lawned and paved areas ideal for both relaxing and entertaining. A spacious paved terrace provides the perfect setting for outdoor dining and entertaining, with ample room for a substantial seating arrangement.

The garden is enclosed by mature timber fencing, creating a private and secure environment, while established planting and raised borders add colour and interest. A dedicated pathway leads through the lawn to the rear, where there is a covered entertaining area/bar, creating a fantastic space for summer gatherings and alfresco evenings.

There is also a useful timber storage shed, additional seating areas and plenty of space for outdoor furniture and recreational use. The garden enjoys a pleasant southerly feel with excellent natural light, making it a particularly versatile outdoor space for families and entertaining.
