Chesterfield Hill, W1J

A truly stunning two bedroom apartment situated within the new development of 8 Chesterfield Hill, which has been impeccably interior designed by Martin Kemp Design, this apartment is a one of a kind Mayfair residence.

The building has been architecturally designed to blend with the neighbouring heritage and architecture. A property offering both historic and contemporary style in the heart of Mayfair.

The apartment includes two well proportioned en-suite double bedrooms, open plan kitchen & living room offering an exceptional space for both entertaining and dining, guest WC as well as air conditioning and underfloor heating throughout.

Chesterfield Hill is a discreet street, situated in the heart of Mayfair and within close proximity of Hyde Park, Green Park, St James and Knightsbridge.
