A superb starter home, a great investment, a perfect upside... or downsize - and with no onward chain, this three bedroomed mid terrace certainly ticks many of those home searching boxes; all we ask is that you form an orderly queue...

From the bright and spacious hallway there's the option of your retreat, either to the front sitting room, away from the buzz of the rest of the house to enjoy your quieter evenings - or straight through to the kitchen diner to the rear, ready for the family dining table, and for the family conflabs around the kitchen peninsula! We do enjoy open plan kitchens, the note of the entertainment to come, the meals to be shared - and with the double doors out to the garden beyond, what could be better?!

Up then, to the bedroom quarters where there are three bedrooms, the master to the front with a bay window, second double to the rear with built in wardrobes, and a generous single to the front. A fresh bathroom suite completes the lot.

This part of Temple Road sits between Borough Road and Prenton Park Road and is perfectly placed for those needing swift commute to Liverpool via the Queensway tunnel. A short car journey from the M53, and a walk away from amenities to Borough Road, and for your Sat Nav: CH42 9JX
